Away

By Clicking “Save”, the list will be saved. By Clicking “Back” after saving the list, player list can be amended. Before “Submit Player List”, player list can be saved as many times as you like. Captains can start entering the list as early as the previous match card was submitted. For example, after playing a game on a Saturday and submitting the match card, the captain can already start inputting the player list.

Before match starts, home captain is to ask for umpire registration numbers. Once registration numbers are entered into these boxes, umpire names will show up. Check with umpires if names are correct. If not, then correct umpire number can be re-entered to generate correct umpire name.

Check Captain's box.
