In accordance with and subject to the Articles of Association and the General Bye-Laws, all issues concerning women's hockey in Hong Kong are under the sole authority of the Committee.

3. AMENDMENTS TO THESE BYE-LAWS

- 3.1. The Committee may make amendments to these Bye-laws from time to time. Affiliated Clubs shall be given fourteen (14) days to comment on the proposed changes.
- 3.2. The Committee may introduce experimental Bye-laws from time to time. Affiliated Clubs shall be given fourteen (14) days to comment on the proposed changes.
- 3.3. These Bye-laws, and any amendments, shall be submitted to and approved by the HKHA Council before implementation.
- 3.4. The Secretary shall furnish the Convenor of each Affiliated Club with a copy of these Bye-laws within twenty-one (21) days of any amendments.

4. TEAMS

- 4.1. Affiliated Clubs of the HKHAWs may apply for one or more teams to be entered in the HKHA League. Each team shall have a minimum of fifteen (15) registered players and no more than thirty (30) players, who may be registered for one team. However, if a team registers more than twenty-two (22) players, an administrative fee (as per First Schedule) shall be charged per player from the twenty third (23rd) player onwards irrespective of whether players are de-registered at a later date. A player may only be registered for one Affiliated Club team at any one time, but may also be a member of a team in the Veterans Section or the Promotion and Development Section.

- 4.2. Multi-team Affiliated Clubs shall enter teams in the HKHA League, cup, festival and other tournament matches organised by the HKHAWS in ranking order of A, B, C, D etc. The strongest team, based upon talent and experience of players therein, shall be the highest ranked and shall be called the 'A' team. The B, C, D, etc., teams shall follow generally in order of strength based upon the criteria for A team players. It is acknowledged that there are circumstances when this general requirement may not be strictly followed. The Committee shall monitor this aspect, and may, at its sole discretion, take disciplinary action against any Affiliated Club, which it believes to have abused the intention of this Bye-law.
- 4.3. Notwithstanding Bye-law 4.1, at the time of registration (or any time thereafter, subject to seven (7) days' prior written notice to the Committee), an Affiliated Club may nominate a player (a "Nominated Player") to be registered as a nominated goalkeeper for one Club team and as a field player for another team of the same Affiliated Club provided that (i) the two (2) Club teams in which the Nominated Player is registered are in separate divisions, (ii) the written notice clearly states the Club team for which the Nominated Player is a nominated goalkeeper and the Club team for which the Nominated Player is a field player, (iii) the Nominated Player will not play as a goalkeeper or as a field player for any Club team other than as specified in the aforementioned written notice (unless otherwise agreed by the Committee).
- 4.4. No team may have more than one (1) Nominated Player registered as a nominated goalkeeper of such team at any time (unless otherwise agreed by the Committee). However, an Affiliated Club may, subject to seven (7) days' prior written notice to the Committee, cancel the nomination of a Nominated Player and nominate a new Nominated Player in accordance with paragraph (1) above.

5. PLAYER REGISTRATION

- 5.1. Each Affiliated Club shall ensure that only registered hockey players of that Affiliated Club take part in hockey matches held under the auspices of the HKHA. A person shall not be considered for registration unless the HKHAWS Player Registration application form is correctly completed, signed and has the necessary supporting documentation. (This includes a copy of an HKSAR Identity Card or a receipt for the application of one, and an electronic copy of her personal portrait as specified by the HKHAWS). The registration fee, as specified in the First Schedule shall accompany the application, if appropriate.
- 5.2. New players that have not registered previously with the HKHAWS must provide a signed declaration which states that they are not currently serving any suspensions or under disciplinary action and that they understand associated liabilities of playing hockey in Hong Kong.
- 5.3. No player may be registered unless she has reached her twelfth (12th) birthday. Players who have not reached their eighteenth (18th) birthday on the first day of September in the then current HKHA League season shall have the agreement of a parent or legally appointed guardian as specified in the HKHAWS Player Registration application form and provided such application form correctly completed and signed together with any necessary supporting documentation.

- 5.4. The Committee may waive certain requirements of Bye-Law 5.3 for teams entered in the HKHA League by the HKHA Promotion and Development Section.
- 5.5. All re-registering players must sign a declaration annually to indicate that all player details are correct and that players understand associated liabilities of playing hockey in Hong Kong.
- 5.6. The Committee may refuse the registration application in respect of any player who had been suspended more than once in the preceding season.

Contravention

- 5.7. A penalty, as specified in the Second Schedule, shall be levied for a contravention of these Bye-laws.

6. VISITING PLAYERS

- 6.1. Each Affiliated Club is permitted to register a maximum of three (3) players NOT in possession of a valid Hong Kong Identity Card per HKHA League team. These players are referred to as 'visiting players'. An administrative fee (as per First Schedule) shall be charged per visiting player registered.
- 6.2. A visiting player shall only play for the team she is registered for within the Affiliated Club. In other words, the visiting player cannot move among teams within the same Affiliated Club without prior approval from the Committee. Each League team is permitted to list and play a maximum of two (2) visiting players in any HKHA fixture.
- 6.3. Visiting players are NOT eligible to play in the last two (2) League matches of their registered teams, nor in any Knockout Tournament matches. However, these restrictions shall be lifted once the visiting player has played a minimum of three (3) matches for her registered team and the Affiliated Club concerned is responsible to inform the Committee prior to the visiting player taking part in Knockout Tournament matches. No registration of visiting players shall be permitted between the first (1st) day of February and the end of the HKHA League.
- 6.4. A visiting player must play a minimum of three (3) matches in the season for her registered team. In the event that the player fails to comply with this requirement, penalties shall apply as per the Second Schedule, unless the player can provide a medical report or certificate issued by a medical practitioner registered with the Hong Kong Medical Council, certifying that she was injured and unfit to play the required number of matches to fulfil the three-match undertaking.
- 6.5. Visiting players being registered in Premier Division must provide a "**Letter of No Objection**" issued by the national hockey association of the last country they played for. The No Objection Certificate must be valid for a period of time that is sufficient enough to enable the player concerned to fulfil the three (3) match undertaking in Bye-law 6.4.
- 6.6. Affiliated Clubs or teams who have registered visiting players bear full responsibility for the conduct of these registered visiting players. The visiting player's Affiliated Club shall pay any fines levied as a result of any misconduct of a visiting player.

Contravention

- 6.7. If any team is subject to any penalties under this Bye-law, the Committee may, at its sole and absolute discretion, lower the maximum number of visiting players the subject team can register in a single season in the future.
- 6.8. A penalty, as specified in the Second Schedule, shall be levied for a contravention of these Bye-laws. The Committee will monitor the use of visiting players and reserves the right, at its sole discretion, to take disciplinary action against any Affiliated Club found abusing the privileges of Bye-laws 6.1-6.6 inclusive.

7. PLAYER MOVEMENT

- 7.1. No player, including a listed substitute (even if she does not actually take part in the earlier match), may play for more than one (1) team on any one (1) match day including goalkeepers playing outfield without the prior approval of the Committee unless:
- (a) she is a Nominated Player who on one (1) match day played (i) as goalkeeper in the team in which she is a nominated goalkeeper and (ii) as a field player in the team in which she has been registered as a field player; and
 - (b) the use of the abovementioned exception is clearly recorded on the Match Cards of both matches in which the Nominated Player was registered by the respective Team Captains of the teams in which the Nominated Player played (including indicating whether she will play in goal or as a field player), and notified to each Umpire, Team Captain and if applicable, Match Official, prior to the start of the match.
- 7.2. Each player shall be registered for one specific team which she plays as her designated team (save as provided for in Bye-laws 4.3 and 4.4 above). A player:
- (a) who has registered for a higher-ranked team cannot play for a lower-ranked team without first obtaining the approval of the Committee.
 - (b) who has registered for a lower-ranked team may only play for a higher-ranked team for a maximum of three (3) matches during the same HKHA League. This includes league, cup and tournament matches. For the avoidance of doubt, one-day divisional tournaments shall be deemed to constitute one (1) match for the purposes of this Bye-Law 7.2. Once she has played four (4) matches for higher-ranked teams, she will be automatically registered for the highest-ranked team that she has played for and cannot play for any other team thereafter without the prior approval of the Committee.
- 7.3. All player movements must be recorded on the Match Card by the respective Team Captains prior to the start of a Match.
- 7.4. No player movement is allowed between any team in the Premier Division and the lower-ranked teams in their respective Affiliated Club until both (or more) teams involved have completed their first two (2) matches of the HKHA League. For the

avoidance of doubt, this provision does not apply among teams outside the Premier Division.

Player Movement in Knockout Competitions

- 7.5. No player who at any time during the current League season has been registered for a Premier Division team shall be eligible to play in any Knockout Tournament other than the Holland Cup.
- 7.6. A lower-ranked player may play for a higher-ranked team in the Holland Cup or other Knockout Tournament, subject to Bye-law 7.2(b).
- 7.7. No player may play in a Knockout Tournament match unless she has participated in at least two (2) league matches with any team of the Affiliated Club with whom such player is currently registered.
- 7.8. Once a player has participated for a team in one of the Knockout Tournaments, she cannot play for another team in any Knockout Tournament without the Committee's approval

Contravention

- 7.9. A penalty, as specified in the Second Schedule, shall be levied for a contravention of these Bye-Laws.

8. PLAYER TRANSFER

- 8.1. Should a player wish to transfer from one Affiliated Club to another during the HKHA League, the Convenor of the player's current Affiliated Club shall (i) make this intention known by written communication to the Committee and (ii) release the player in the online registration system.
- 8.2. The Convenor for the Affiliated Club that the player is moving to should then apply to the HKHA to move the player profile within the online registration system to the new Affiliated Club.
- 8.3. Until registration of the player with the Affiliated Club that the player is moving to has been approved and completed by the HKHA, including payment of the appropriate fee, as specified in the First Schedule, the player concerned shall not play hockey for either Affiliated Club, in any match, held under the auspices of the HKHA. She may, however, play for an HKHA Team.
- 8.4. Should the current Affiliated Club refuse to release the player within a reasonable time, but in any case no longer than five (5) working days from the date of an official request from the Convenor of the player's proposed new Affiliated Club to the Committee, the player may appeal to the Committee for the transfer to be approved. In the event of such unreasonable delay, the Committee may manually release the player and require the player's previous Affiliated Club to pay the transfer fee.

- 8.5. The Convenor of the proposed new Affiliated Club of a player who wishes to transfer from one Affiliated Club to another for the second time within the same season shall be required to seek the prior approval of the Committee.
- 8.6. No transfer of players between Affiliated Clubs shall be permitted between the first day of February and the end of the HKHA League.

9. TEAM UNIFORMS

- 9.1. Affiliated Clubs shall submit their team uniform designs for the Committee's approval each year when they submit their league registration form. The colours of the first and second strips should be distinctively different for the shirt and the socks. Failure to do so will be considered as an incomplete registration and will therefore be subject to a late registration fee should the completed form not arrive before the deadline set by the Committee.
- 9.2. Teams shall play in the shirt, skirt and sock colours as stated on their HKHAWS application form and approved by the Committee.
- 9.3. Goalkeepers shall wear, over any upper body protectors, a shirt or garment of a colour different from that of their own team and of their opponent.
- 9.4. The Committee shall advise all Convenors of these colours before the start of the HKHA League. In the event of a clash of colours, the second-named team on the fixture, being the "away" team, shall change their shirts and/or socks. Teams should note that a clash of sock colours might occur even though there is no clash of shirt colours.
- 9.5. No Affiliated Club may use white coloured socks for either their first or second strip and should refrain from including white in their socks design.
- 9.6. No team may use yellow as an official colour for its shirts. This colour is reserved for the exclusive use of the HKHA Umpires Section.
- 9.7. The HKHA logo is the official designation for the uniform of players and officials of the HKHA selected to represent the HKHA or Hong Kong at representative hockey matches. Affiliated Clubs shall ensure that their members do not display the HKHA logo on any item whatsoever unless with the express permission of the HKHA Council. The HKHA Council will view any breach of this Bye-law as a most serious matter.
- 9.8. A player may not participate in any League, Cup or Tournament match organised by the HKHAWS unless she is:
 - (a) wearing a numbered shirt with such number conforming to her Player Registration number and shall be clearly printed or sewn on the fabric itself at the back of the shirt and should meet the following requirements:
 - (i) the colour should be in contrast to the shirt colour;
 - (ii) the number should be in a distinctive filled (not outlined) figure(s)/font(s);

- (iii) the size should be not less than 16 cm and not more than 20 cm in height on the back of the player/goalkeeper's shirt;
 - (b) wearing shin guards, properly tucked inside her socks; and
 - (c) wearing suitable footwear (football boots with studs for grass pitch shall not be worn on artificial-turf pitches).
- 9.9. Undergarments (such as leggings or long sleeved shirts) worn during matches by any player should match adjoining playing kit colours as much as possible. If not, only solid white or black colours are acceptable alternatives. Players should be prepared to remove their undergarments if such undergarments are adjudged by umpires to be causing confusion to their umpiring work.

Note: Players are advised to remove all accessories during matches to avoid causing injuries.

- 9.10. Team Captains must wear a distinctive arm-band or similar distinguishing article on an upper arm, shoulder or lower leg.

Contravention

- 9.11. A penalty, as specified in the Second Schedule, shall be levied for a contravention of these Bye-Laws.

- (a) A Premier Division;
 - (b) A First Division;
 - (c) A Second Division;
 - (d) A Third Division;
 - (e) A Fourth Division; and
 - (f) A Fifth Division,
- (each being a "**Division**").
- 10.2. The competition and rules for the Premier Division may be subject to a pre-season meeting of the Committee with the local Premier Division teams of the immediately completed season and any other teams invited by the Committee.
- 10.3. The number of Divisions and number of teams playing therein may be varied by the Committee prior to the commencement of each League season to take into account of prevailing circumstances at the time, such as number of new teams entered, old teams dropping out, capacity of hockey pitches available for League matches etc.
- 10.4. The HKHAWS may accept teams from the HKHA Veterans Section and HKHA Promotion and Development Section, to participate in the HKHA League. Such teams shall only be accepted on condition that they abide by all relevant HKHAWS Bye-laws. The Committee shall decide in which Division such a team shall play. The

results of HKHA League matches involving these teams will count for all purposes, except that the final placing of these teams will be disregarded for purposes of determining the HKHA League winners.

- 10.5. New teams shall start in the lowest Division unless the Committee decides otherwise.
- 10.6. New teams wanting to enter a higher Division must demonstrate to the Committee that the team has eight (8) or more players that have been registered for a team in the same division, or higher, in the preceding season. Such teams may be placed in that division as determined by the Committee.
- 10.7. No new team will be accepted once the HKHA League has commenced.

Promotion and Relegation

- 10.8. Points for league matches will be awarded as follows:
 - (a) Win: Three (3) points
 - (b) Draw: One (1) point

 - (a) Matches won
 - (b) Goal difference
 - (c) Goals for
 - (d) Results between equal teams in the competition
- 10.10. The winner and first runners-up teams in the First, Second, Third, Fourth and Fifth Divisions shall be eligible for promotion to the Premier, First, Second, Third, and Fourth Divisions respectively for the following HKHA League season.
- 10.11. The lowest and second lowest ranking teams in the Premier, First, Second, Third and Fourth Divisions may be relegated to the next lower division.
- 10.12. If there is still a tie (after taking into account Bye-law 10.9) between two or more teams competing for promotion, the teams shall be declared joint winners of that Division.
- 10.13. Notwithstanding Bye-laws 10.10 to 10.12 above, the Committee's decision on the Divisional composition shall be final. The Committee's decision will be communicated to Affiliated Clubs at the start of each hockey season, including the promotion and relegation criteria at the end of that season.

11. LEAGUE MATCHES

- 11.1. All matches shall be played in accordance with the Rules of Hockey, as issued by the FIH unless otherwise notified by the HKHAWS.
- 11.2. All matches shall commence at the scheduled time as stated in the fixtures list. In the event of a late start (i.e. after ten minutes of the scheduled time) where the fault lies with one or both teams (e.g. late completion of Match Card, goalkeeper not ready etc.) the umpire shall record this on the Match Card. The match playing time may be

cut short into two equal halves in order for the next game to start on time or for the pitch to be handed over in time to LCSD for the next booking. This must be communicated by the umpires to the Team Captains at the start of the match.

- 11.3. Should the entire team, for whatever reason, walk off (or refuse to continue to play), the match shall be awarded to its opponents four (4) goals to nil, or the score at the time, whichever is the higher. The Team Captain involved is required to submit a report to explain the walk off decision to the Committee within forty-eight (48) hours of the incident. The Committee will investigate the incident and refer the case to the Disciplinary Committee for follow up action, where necessary.

Regular 11-a-side Matches

- 11.4. Teams shall, at the start of a match, consist of at least eight (8) registered players. In the event that a team (or teams) does not have at least eight (8) players on the field of play within ten minutes of the scheduled time for the start of the match, such team (or teams) will be in breach of this Bye-law, the match will not be played and the umpires will record the result as a WALKOVER on the Match Card. The team receiving the walkover will be awarded the game four (4) goals to nil.
- 11.5. In any regular competition (11 players on the field), if for any reason, the number of players of a team is reduced to less than eight (8) players, at the time that happens, the match shall be awarded to the opponents four (4) goals to nil, or the score at the time, whichever is the higher. The umpires will report the reason for the above, and if there is any question of players walking off, as opposed to injury or dismissal (red card), the matter will be referred to the Committee. For the avoidance of doubt, a player who has been shown a Yellow Card continues to be a player. A player who has been shown a Red Card immediately ceases to be a player.

Walkovers/Withdrawals

- 11.6. A team which gives two (2) walkovers during the HKHA League may be required to withdraw from the HKHA League by the Committee. In the event of such a withdrawal all previous results of that particular team will be nullified. The Convenor of a Affiliated Club which has given a walkover in any HKHA match is required to explain in writing to the Committee, within seven (7) days of the date of the match, the reason(s) for the team having given the walkover.
- 11.7. If a team withdraws from the HKHA League at any time, the Committee shall have discretion to impose such penalty on that particular team as they deem necessary.

Contravention

- 11.8. A penalty, as specified in the Second Schedule, shall be levied for a contravention of these Bye-laws. Note that different penalties apply to different contraventions.

Request for Postponement or Bringing Forward of Matches

- 11.9. Requests for postponement or bringing forward of a match on the grounds of player unavailability will normally not be entertained. However, the Committee may

consider a request for postponement or bringing forward of a match if the request is made at least fourteen (14) days before the match is scheduled to take place. The Committee will advise the Affiliated Clubs within five (5) days whether their application has been granted. Requests for postponement or bringing forward shall be accompanied by an administrative levy, as specified in the First Schedule, which may be refunded at the Committee's discretion.

- 11.10. Any match in which a team has three (3) or more players absent because of national team duty for the HKHA Squads (including as a Team Official) may be postponed if a request is made at least fourteen (14) days before the match is scheduled to take place and the Committee exercising its sole discretion, approves such request.

12. POSTPONEMENTS/ CANCELLATIONS/ ABANDONMENTS

- 12.1. If an artificial-turf pitch has been inadequately watered (either by the spray system or naturally by rain), the umpires shall make a decision on whether the match shall commence. If the match is cancelled because of this, the umpires shall record this on the Match Card.
- 12.2. To be acceptable for play, the playing surface shall have received sufficient water to be thoroughly wet, taking account of the prevailing weather conditions.
- 12.3. The two teams shall not play a **“friendly match”** on the surface. If they do, they will be charged the cost of the pitch booking and may be subject to disciplinary action by the Committee.
- 12.4. In the event that a black rain storm signal or a typhoon signal number 8 or above is in force at the appointed starting time, the match shall not commence.
- 12.5. In the event of a thunderstorm warning, and the authorities in charge of the pitch have not closed it, play shall commence/continue until the conditions are not safe for players and officials to stay outdoors. At that point the umpires shall temporarily stop the match (noting the time remaining) and all players and officials shall immediately leave the pitch area to seek shelter. When the storm has passed (and if permitted by the ground authorities) the match shall be restarted as directed by the umpires, taking account of the play situation at the moment of stoppage.
- 12.6. In the event that heavy rain causes an artificial-turf pitch to become so waterlogged that play becomes difficult or even dangerous, the umpires shall temporarily stop the match (noting the time remaining) and wait until the worst of the storm has passed and the pitch drained to a satisfactory condition. The match will then be restarted as per Bye-law 12.5.
- 12.7. For natural grass pitches, the decision on whether play may proceed rests with the venue's authority. However, over matters of player safety, such as during a thunderstorm, the umpires shall take responsibility.
- 12.8. In the event of a failure of the floodlighting during an evening match, the umpires shall immediately stop the match. If the fault cannot be rectified within a short time, and the match restarted as per Bye-law 12.5, the Match Card shall be completed

noting that the match was abandoned and the time remaining. The Committee shall then decide on the appropriate action.

- 12.9. The Convenor for the home team shall notify the Committee by telephone or email on the day following that on which League matches have been postponed or abandoned due to inclement weather. The Committee shall reschedule the playing of these postponed or abandoned League matches at the earliest opportunity.
- 12.10. Due to adverse playing conditions arising from any of the circumstances described in Bye-laws 12.1 or 12.4-12.8, the umpire may decide to abandon a match. Should the match be abandoned during the first half, the full match will be rescheduled to another time by Committee and NO score shall be carried forward to the rescheduled match. Red and/or Yellow cards issued will however be counted against the player's disciplinary record. Should the match be abandoned after the completion of the first half, the score at the time will be counted as the final score with no rescheduling of the match.

13. CAPTAINS' RESPONSIBILITIES

- 13.1. Each Team Captain has authority only over her own listed team players; she has no right to question or challenge any decisions made by the umpires. Should a match umpire call upon a Team Captain to give instructions to her team, the Team Captain shall do so immediately.
- 13.2. In the event that no umpires are present at the scheduled time for commencement of a match, both Team Captains shall act as umpires or may designate qualified individuals to act as umpires. Each Team Captain shall, therefore, have a whistle in her possession at each HKHA match. In the event that only one qualified umpire is present at the scheduled commencement of a match, it is the responsibility of the two Team Captains and the umpire to reach a mutually acceptable agreement as to the provision of the second qualified umpire. If this agreement is not forthcoming, each team shall provide one non-playing qualified umpire for one half of the match. In case either team or both teams cannot provide non-playing qualified umpire, the Team Captains have to either umpire for their respective teams or appoint one of their players who is qualified to umpire for the subject match.
- 13.3. Team Captains are responsible and held accountable for the completion and the accuracy of the information of their respective teams on the Match Card.
- 13.4. Team Captains are responsible for fielding her team with eligible players only.

Contravention

- 13.5. A penalty, as specified in the Second Schedule, shall be levied for a contravention of these Bye-laws.

14. MATCH CARDS

- 14.1. The home team is the first named of the two teams in a match. Before the commencement of a HKHAWWS match, the home Team Captain shall fill out a match card in such form as shall be determined by the HKHAWWS ("**Match Card**"), in block

letters, in ink or ball point, stating the particulars of the match (League, Division, Venue, Date, etc.), the names of all her team players and their Registration Numbers, up to a maximum of sixteen (16) players. The completed Match Card shall be passed to the away Team Captain at least 15 (fifteen) minutes prior to the scheduled match start time.

- 14.2. On receipt of the Match Card, the away Team Captain shall fill in, in block letters, in ink or ball point, the names of all her team players and their Registration Numbers, up to a maximum of sixteen (16) players. The completed Match Card shall be passed to the umpires at least five (5) minutes prior to the scheduled match start time.
- 14.3. The responsibility of checking the Team's Players List and players' photographic identifications rests jointly with the officiating umpires and the Team Captains. In the event of dispute/disagreement between the two Team Captains, the officiating umpires shall make the decision and a note to that effect recorded on the Match Card. In order to facilitate a proper and efficient player identification check, all players are required to carry with them their photographic identification documents or a copy thereof.
- 14.4. Both Team Captains shall provide the umpires with their respective most updated Team Players Lists with pictures for all players listed on the Match Card at least 5 (five) minutes prior to the scheduled match start time. In the event a team is unable to produce the Team Players List with pictures, the umpire may demand a photographic identification check on players to be carried out before or during the match. In the event that a team is unable to produce photographic identification for particular players, the umpire should note which players were unable to produce photographic identification on the Match Card for action by the Committee. A player who has failed to provide a photographic identification document upon request will be deemed an unregistered player.
