The HKHA expects the event would raise public interest in the game of hockey in Hong Kong.

Come Try It! Free trial session for children

Hockey is a fun sport and is played by all ages in Hong Kong (the most junior and senior players are 5 and 75 years old respectively). During the event, a trial session is open to the public at the venue and children aged 3-12 are welcome to try out the fun of mini hockey.

Pre-registration is required on a first-come-first-serve basis. Interested media could contact Ms. Leung at 9739 9512 for further information.

Burnt calories to support under-privilege

Foodsport is a newly established Sustainable Community Development Project aiming to help those under-privilege in Hong Kong. Licensed nutritionists from

Foodsport will attend the tournament and calculate the total amount of calories burnt by all participants of the tournament. The amount of calories will then be converted into food units which will be distributed to those in need in Hong Kong. Every drop of sweat counts and it is all for a good cause.
